For delivery to a funeral home:

Caskets will be delivered directly to the funeral home of your choice.

During checkout on Walmart.com you will be asked for a **shipping address**. Please use the name of the deceased as the addressee, and enter the *delivery address and phone number given by the funeral home or mortuary* (this may be different from their business address).

The **billing address** should be the name and address of the purchaser.

Please note: Funeral homes must accept casket delivery by Federal Law, and you (the purchaser) do not need to be present to accept delivery. We encourage you to learn more about The Funeral Rule and your consumer rights at <http://www.ftc.gov/bcp/rulemaking/funeral/index.shtm>.
