

Walmart.com's Preorder Price Promise!

The Preorder Price Promise ends at midnight the day before the item is available to ship ("Release Date"). The Release Date per title is disclosed on the item page for the title. If Walmart.com lowers the price of the DVD after you preorder a DVD but before the Release Date, you will receive the DVD at the lower cost.

Terms and Conditions:

- Preorder Price Promise applies only to not-yet-released DVDs sold by Walmart.com. It does not apply to other product lines or to items that have already been released. It is not available in Walmart stores.
- Preorder Price Promise applies only to qualifying items that display the offer message on their product-detail pages. Items that don't display the offer message don't qualify, regardless of the nature of the items.
- Preorder Price Promise is not available in Oklahoma, Wisconsin, Hawaii and California.
- Order Limit at the Preorder Price is 2 per title.
