Certain over-the-counter (OTC) drugs are available for \$4 at all Wal-Mart, Sam's Club and Neighborhood Market pharmacies. Your participation in certain drug and health plans may entitle you to pay even less than \$4 for certain OTC drugs. If you are eligible, you will be charged the lowest applicable amount. Quantities of OTC drugs available for \$4 vary by product. The list of eligible OTC drugs is subject to change. Not all OTC drugs are eligible under this program. Eligible OTC drugs must be picked up in-store. See Walmart.com or your pharmacist for more information.
